

**OAK PARK and
RIVER FOREST
HIGH SCHOOL**

February 5, 2025

Dear Community Partner:

Please help us extend a warm invitation to all of your residents, clients, and guests to attend our annual Spring Musical Reception and Matinee Performance. This annual event—free to all Oak Park and River Forest senior citizens—is a small token of our appreciation for the many ways in which our community’s senior citizens support our school, our students, and our community.

This year’s event takes place on Sunday, March 2, 2025, and showcases “Rodgers and Hammerstein’s Cinderella.” This version, written in 2013, keeps the classic story line with a few twists, such as a sympathetic stepsister and a prince whose eyes are opened to injustice.

The reception will be held in the South Cafeteria at 1:00 p.m. Following coffee, cookies, and a Q&A with director Michelle Bayer, attendees will enjoy free seating for the 2:00 p.m. matinee performance in a reserved section of our Auditorium, right across from the South Cafeteria. **No tickets or reservations are necessary. Just tell your clients to come and enjoy.**

Thank you for your help in posting the enclosed flier and extending this invitation to interested guests. If you’d like me to make copies and send you a stack of fliers, please email me at the address below and I’ll be happy to pop them in the mail.

Sincerely,

Karin Sullivan
