Sunday Morning Update

September 13th service is a go

Good morning,

Thank you for registering for our outdoor service today! This email confirms that we have looked at the weather and will have the outdoor service as planned. Please remember the following for today:

Bring your own Chairs, mask (to be worn at all times), Book of Common Prayer if you have one, and/or printed or online bulletin (attached).

Please follow directions of ushers and clergy and maintain at least 6 feet from all non-household members.

Please worship with us online and stay home if you have fever of 100.4 or above, chills, cough, shortness of breath or difficulty breathing, fatigue, muscle/body aches, headache, loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea or [other symptoms found here](#).

Please know your risks in coming by reviewing the [CDC website at-risk categories](#).

The service will begin at 10:00 a.m. and may take some time once you arrive to be seated. Let's be gentle with each other and each do our part to help make this worship a continued possibility. The service will not be error free but it will be a perfect opportunity to worship together. We look forward to seeing you soon!

Faithfully yours,

Will

On Sunday morning, you will receive an email stating whether the service will be held, or if it has been canceled due to weather. It will also have a PDF of the service bulletin.

Post Service Survey

Post Service Survey

Dear friends in Christ,

Thank you for attending our first outdoor service on Sunday, September 13th! It was wonderful to be back home and worshipping together. Should we have important health information about a service that occurred, we will notify you in an email such as this and we DO NOT have any urgent health news to share at this time. Please email me and let us know if you have any health updates such as a positive or pending COVID-19 test. We will do everything we can to maintain privacy and confidentiality with such information.

We will continue to improve upon and develop our worship experience as we continue. Please take a minute to fill out this very [brief survey](#) to let us know about your experience.

Thank you again and please be in touch if you have any concerns.

Faithfully yours,

Will

Sometime after the service, you will receive one more email asking you to let us know if you find out you have been exposed to COVID so we can alert the others who attended the service. It'll also include a link to a quick survey so we can make any necessary changes to how we do our services.

THE END!
