The award program is open to all members of Mid-West Truckers Association and their drivers who sign up for the 2026 Award during the annual registration period, which closes on **December 16, 2025**.

All entries will be placed into one of three categories, based on the type of equipment they drive, as well as the number of miles driven annually:

- Class I - drivers of straight trucks regardless of miles driven;
- Class II - drivers of tractor-trailer units who drive less than 50,000 miles per year;
- Class III - drivers of tractor-trailer units who drive over 50,000 miles per year.

The winner of the "Safe Driver Award" will be determined by the following criteria:
