How will the confidentiality of the application be protected?

When the application has been received by SUCA each application is given a number and an acknowledgment is sent to the applicant. The application is handled only by the staff of the association. Once this has been done, the first page of the application will be placed in a sealed envelope marked only with the application number. Staff then reviews the application in detail and removes any and all words or references that provide information relating to the applicant's identity or affiliated SUCA Member Company.
