Shine Christ's light in action

Join us on a mission trip to Wahpeton Sioux Indian Reservation in Sisseton, South Dakota. There you and your family can impact the lives of Native American children, a historically disconnected and severely impoverished culture. Over the years we have seen our children grow in their perspective of what poverty is and how it can impact people. It is also an opportunity to share Christ's love in a Christian environment- true agape love.

There is a fun picnic at Roy Lake with our Native American friends, swimming at the Sisseton municipal pool, a tour of the reservation and hike up to the top of Nicolette tower.

We need approximately 25 adults (children are welcome to participate and assist!) to run VBS, rehab historic churches and assist in the kitchen.

Opportunities:

- Vacation Bible School
- Kitchen Help
- Work Crew

Dates:

Leaving Saturday, June 13th (travel day), VBS running June 15-18, returning Saturday, June 19th.

Costs:

\$550 per family in a single hotel room (If additional rooms are needed the cost is \$450 per room).

\$500 for a single room one person

\$300 for a single room with a roommate.

You can pay online or by check

All participants who are of high school age or older must complete an approved Dakota Partnership Youth Protection Training Workshop.

Youth protection guidelines do not allow an unrelated minor child to be placed in a hotel room with fewer than two adults.

Required work-site minimum age is entering Middle School.

Current tetanus shot is required for work crew.

Background checks will be done, and there will be child protection training for all in Sisseton on Sunday. Questions? Please contact Randy Johnson at 630-207-8198 with questions.

Thank you for your support and we look forward to having you as part of this Mission!
