Special Offerings

The 226th General Assembly (2024) took action to reduce the number of Churchwide Special Offerings from four to three beginning 2026. Entering this new season, the three Offerings will be centered on the prophet Micah's call "to do justice and to love kindness and to walk humbly with your God" (6:8) and continue to support the PC(USA) ministries and causes important in the life of the church. [Learn about the changes to Special Offerings](#), including the General Assembly action, the changes this year, the Special Offerings calendar, and more. One Great Hour of Sharing

One Great Hour of Sharing is the single, largest way Presbyterians come together every year to work for a better world and provides us a way to share God's love so that all God's people can flourish. Typically received on Palm Sunday and Easter Sunday, the annual Offering supports PC(USA) ministries around the causes of disaster, hunger, poverty, climate change, immigration, migration and refugees. [Download resources](#) including worship, curriculum, and minutes for mission. All resources and information for Offering interpretation are present, just organized a bit differently. A Hunger Call to Action: Mobilizing Your Congregation as a Spiritual Practice

Members of Congress really do listen to constituents who speak up. Nearly 1 in 10 people around the world go to bed hungry, but world hunger is solvable. One way congregations can act by joining Bread for the World's letter-writing campaign to urge Congress to protect and strengthen anti-hunger programs. In a world where policies shape the lives of the vulnerable, showing up consistently, writing letters, making calls, and bearing witness is how we embody Christ's call to justice and mercy. Pour Yourself into a Cause: World Water Day is March 22

Quarterly Resource Preview 2026

All your favorite resources in one place.

This March, we invite your community to Give with a Purpose and recognize World Water Day (March 22) within your congregation by supporting water projects around the globe.

World Water Day is a meaningful moment for worship, education and fellowship, as well as an opportunity to help bring clean drinking water to communities in need. You can help your congregation understand the true value of generosity through the Presbyterian Giving Catalog by sharing this special story with them:

Nestled deep in the Nepalese mountains is the remote village of Ghorka. In the best of times, villagers from Ghorka had to trek 45 minutes each way to collect clean water for their households. Then, a catastrophic earthquake struck their region, and Ghorka's customary water source was lost.

However, thanks to the generosity of Presbyterians, our regional partner, Juneli Nepal, was able to collaborate with the local government to provide Ghorka with its own water supply, forever changing life for the village's 75 multigenerational households.

This is the kind of global impact your members can be part of when they support the Giving Catalog. We know that *together*, we can bring clean water to even more families, villages and communities in 2026. [Please join us.](#)
