

# THE CHURCH IN TRANSITION

Coming in 2020  
Blackhawk Presbytery Offers a  
Year of Focused Learning Opportunities

Blackhawk Pastors and Church Leaders are invited to explore potential pathways toward the church of the future—developing healthy leadership & pastoral care, effectively using resources, developing capacity to experiment, positive community engagement and connecting with new generations.

There will be Transitional Ministry topics covered on each of the 2020 Blackhawk Presbytery Assembly meeting dates. These topics are timely for pastors, church staff and elders. The cost of the training and follow-up consultation will be covered by a generous grant from the Synod of Lincoln Trails.
