

PWP 2022 CWS Kits Report

The first church that reported their goal for this years' Church World Service kits was Harvard First stating that they hope to make 50 school kits, 50 hygiene kits, and 10 clean-up buckets. Joliet Westminster came in second stating that they plan on doing 150 school kits, 150 hygiene kits, and 15 clean-up buckets. One church sent a financial goal that they will send to the CWS office in Elkhart, Indiana. Geneva Fox Valley indicated that they will have 20 hygiene kits and 20 clean-up buckets ready by Easter and will deliver them to the warehouse in Elgin at that time. AuSable Grove advised that they have 100 hygiene kits ready and will have another 50 hygiene kits ready by Easter which they will deliver to the warehouse in Elgin after Easter. Please continue to send me your goals for the kits you plan to make. Many of the hygiene and school kits will be sent to help the refugees of Ukraine. All types of kits are sent all over the US to help those people who have been through the disasters that have occurred here.

PWP was trying to have an in-person Spring Gathering on April 30 at Waltham. When no one registered by the deadline, we changed the format to ZOOM. Registration for the gathering is now April 20. SOLT is in planning for a gathering on September 10. It will be on ZOOM. Susan Jackson Dowd will be the guest speaker. More information will be sent out closer to the date of the event.

With the pandemic restrictions going down, please encourage having PW groups at your churches.

Blessings,

Jill Sunday
