## WHAT TYPE OF WORK WILL VOLUNTEERS DO?

---

As we partner to support reconstruction efforts some of the work that needs to be done includes painting, debris removal, light carpentry, door replacement, roof replacement, roof pressure washing/sealing, plumbing, electrical and others

## WHAT CAN WE DO ON OUR SPARE TIME?

---

The small town of Aguada offers a variety of shops (boutiques, thrift shops, dollar stores, hardware stores and supermarkets) and activities (beach and sight-seeing) within walking distance.

## WHY THE CHURCH?

---

The Church is rich in gifts of the Spirit and knows the community. When the Session, Board of Deacons and committees are called, they create an efficient hospitality system for a volunteer village. The host site is the result of the efforts of a whole village of faith.
