## Donate In-Kind to the SMA Annual Auction

At St. Mary's Academy, we believe in community, and that our success is only possible through support from our neighbors and friends. We will bring our community together at the 37th Annual Auction on April 05, 2025 at the Oregon Convention Center.

The auction remains one of our signature fundraising events: Both a festive evening of bidding, dining, and raising funds, and a week-long online silent auction, all to help provide nearly \$2 million annually in financial aid to 42% of families in the 2024-25 school year. We are asking for you to help support these young women through an in-kind donation to the event.

We are interested in a variety of in-kind donations, including tickets to sports and entertainment events, travel lodging and experiences, dining gift cards, wine and beer, shopping, services, and merchandise.

### **Benefits to you:**

Your donation is tax-deductible, as St. Mary's Academy is a 501(c)3 non-profit organization

We feature donated items through an in-room silent auction, online virtual silent auction, and/or in-room live auction. You will receive recognition in our Auction materials which are seen by our alumnae, current and former SMA parents, business owners, and community leaders
