

Dr. Dawn Rundman Author and Writer for Sparkhouse

"Ministry leaders and the families we serve have witnessed so much loss and trauma since the start of the pandemic. As leaders, what have we lost? What have we discovered about our ministries? Where do we go next in meeting the needs of the families we serve? In this session, we'll lament our losses and take inventory of all the ways we have pivoted and innovated in ways we could have never imagined. Then we'll look at the "What's next?" question to develop a framework for moving forward in ministry." Dr. Rundman
