## Definition of Shooting Games:

**Sporting Clays** – includes a more complex course, with many launch points. Shoot in teams of four (4), 100 shots each person on Challenge Course (experienced shooters) or Hunters Course (novice shooters).

**Skeet** – targets are launched from two “houses” in somewhat “sideways” paths that intersect in front of the shooter.

**5 Stand** – a mini-sporting clays course set up on a field of multiple throwers.

**Trapshooting** – shooting at clay pigeons sprung from a trap into the air away from the shooter.

To register, please complete the Shooter Registration Form and return to [pam@biacentralky.com](mailto:pam@biacentralky.com) by 10/17/17.
