## Lactation Counselor Training Course and CLC® Certification Exam Summer-Fall 2019

**The Lactation Counselor Training Course** is a comprehensive, evidence-based, breastfeeding management course with a strong focus on clinical counseling and assessment skills. Participants build on theoretical foundations to gain practical skills and verify competency as well as optimizing their ability to solve basic and complex clinical breastfeeding issues. This college level course prepares participants for professional work in the hospital, in public health, and community settings.

**The Certified Lactation Counselor (CLC)®** is the premier national certification in Lactation Management for the United States. CLC certification holders have demonstrated competence in the clinical lactation skills and knowledge that are essential to help breastfeeding families. CLCs can provide assessment, counseling, and interventions for optimal and sub-optimal breastfeeding. The CDC refers to CLCs as lactation professionals who are members of the health care team (2014 Breastfeeding Report Card). Research has shown that the education required of CLCs prior to certification is associated with improved breastfeeding exclusivity and duration. The Certified Lactation Counselor (CLC®) Certification is accredited by the American National Standards Institute (ANSI) based on the ISO/IEC 17024 standard.

## Faculty

All Healthy Children faculty are at the top of the lactation field and have many years' experience. Members of our faculty hold advanced degrees, sit on local and national boards, work with mothers and babies in a variety of settings, have numerous published articles, teach college courses, and are continuously engaged in the national conversation about the field of lactation and its implications for optimal health. Please visit the website [www.centerforbreastfeeding.org](http://www.centerforbreastfeeding.org) for a complete listing of our faculty members and their bios.

## Please Note

### Refunds

Refunds are given upon receipt of **written notice up to 10 days prior to class start date** and are subject to a \$50 processing fee. Less than 10 days prior to class start date, we are unable to refund any portion of the tuition. You may find a substitute or transfer your credit to a future course if you notify us in writing **no later than 5 p.m.** on the Thursday prior to class start date. No refunds or transfers are given after the Thursday deadline.

### Limited Space

Space is limited and offerings may fill to capacity months before the class date. Participant seats are not reserved until full payment is received and written confirmation is sent. Your confirmation is your receipt.

### Cancellations

We reserve the right to cancel the offering if there is insufficient participation 4 weeks before the start date. If this occurs, all tuition and fees will be refunded in full.

### Credit Card Charges

Credit card charges will appear on your statement as Healthy Children Project, Inc. or Center for Breastfeeding.

### Babies and Children

We love the sound of little ones; however, our goal is to give all course participants the optimal learning experience. Quietly nursing babies (6 months or younger) are allowed in the classroom during the course only. **They may not be present during the exam.** Older babies and children are not permitted during class or test sessions.

### Errors and Omissions

We make continuing efforts to avoid incorrect dates or locations, omissions, and typographical errors. From time to time, mistakes may occur. In such an event, Healthy Children Project does not assume any responsibility for such errors, and is no way responsible for any consequential expenses or damages.

### About ALPP and the CLC Certification Exam

The Academy of Lactation Policy and Practice (ALPP) is a non-profit organization that provides a national certification program in breastfeeding and human lactation. ALPP's mission is to promote evidence-based knowledge and clinical competencies of lactation professionals. ALPP's vision is of a world where all families have access to quality, interdisciplinary, culturally competent lactation care, thereby promoting, protecting, and supporting breastfeeding and human lactation for individuals and society. The American National Standards Institute (ANSI) has accredited the CLC certification program based on the ISO/IEC 17024 Standard.

In agreement with Healthy Children Project, Inc., ALPP will administer the exam on the last day of the course. ALPP will notify you in writing of your examination results within 6 to 8 weeks of taking the examination.

### Requirements for CLC Designation

- Successfully complete a pathway approved by ALPP (please see [www.alpp.org](http://www.alpp.org) for more information). The Healthy Children Project Lactation Counselor Training Course is an approved pathway to sit for the ALPP CLC Certification Exam
- Pass the CLC Examination administered by ALPP
- Agree to comply with the ALPP CLC Program requirements, including the Code of Ethics

Candidates who meet these requirements will be authorized to use the certification marks Certified Lactation Counselor and CLC. Certification is valid for three years. In order to renew, CLCs must provide a minimum of 18 appropriate contact hours prior to the expiration date.
