**Saturday, April 27, 2019, Reno, NV**

**About the Conference:** The Pregnancy & Infant Loss Support Organization of the Sierras welcomes you to our 2nd Biennial Perinatal Bereavement Conference. This day long conference will cover ethical issues surrounding perinatal loss. Much like our flyer picture, ethics is the ten ton elephant in the room that is difficult to address. By focusing on these topics, we hope to shed some light on the sticky legal and ethical issues that can arise when a patient is experiencing the loss of a child.

**Who Should Attend?** Everyone in the medical field is invited to attend the Conference. RNs, MDs, Social Workers, Genetic Counselors, Educators, Nursing Students, and Medical Students will gain insight that will guide them in caring for families during these ethical dilemmas. 7.45 CEUs/CMEs will be awarded.

**\$75 for Medical Professionals, \$50 for Students**
