

# Membership Form

The Nevada Statewide Maternal Child Health Coalition (NVMCH) is a diverse partnership of dedicated members representing women's health and pediatric care organizations, public health and social services agencies, volunteer and community service groups, schools, government, businesses and individuals.

## Mission

To provide leadership in partnership with public and private organizations to improve the physical and mental health, safety and well-being of the maternal and child health population in Nevada including children with special healthcare needs.

## 2017 Nevada MCH Priorities

### 1. Women/Maternal Health:

Improve preconception& interconception health among women of childbearing age.

### 2. Perinatal/Infant Health:

Breastfeeding promotion and safe sleep campaign. Increase percent of infants who are ever breastfed and percent of infants breastfed exclusively through 6 months. Reduce the risk of sleep related infant deaths through education and awareness campaigns as well as continued training (e.g., Cribs for Kids).
