

# Creating a Safety Net to Enhance Postpartum Retention in HIV Care: Tools and Resources for Providers

Provided by CDC's Elimination of Perinatal HIV Transmission Stakeholders Group

**WHEN:** Monday, June 19, 2017

**TIME:** 1:00 pm – 2:00 pm **ET** 11:00 am – 12:00 pm **MT**  
12:00 pm – 1:00 pm **CT** 10:00 am – 11:00 am **PT**

## PRESENTERS:

- Mary-Margaret Andrews MD**

Associate Professor of Medicine,  
Dartmouth-Hitchcock Medical Center

- Leah Blythe Ruppe, MS, CNM, WHNP-BC**

Instructor, University of Maryland School of Medicine,  
Department of Obstetrics, Gynecology & Reproductive Sciences

- Rebecca C. Schwartz LCSW**, UCSF Positive Health

Program at San Francisco General Hospital, HIVE

## OBJECTIVES:

At the end of this webinar, participants will:

- Recognize factors associated with lack of engagement in HIV care postpartum
- Describe components of routine, enhanced, and intensive postpartum case management services
- Discuss how the tool "Safety Net to Enhance Postpartum Retention in HIV Care" could be utilized in your clinical setting to determine the level of services women need to support ongoing retention in HIV care postpartum.
