

# National and Local Emergency Response Team

THE SLA ERT Committee reminds all Sorors  
My Sister's Keeper: Sisterhood, Service, and Safety!!!

## Delta National Emergency Response Team (ERT) Vision, Mission & Preparedness

### Our Vision & Mission

The vision of the Delta National Emergency Response Team (ERT) is to support chapters in achieving strong emergency preparedness and effective response practices. Through the development of clear guidelines and trusted resources, the ERT equips chapter members—both individually and collectively—to prepare thoughtfully and recover swiftly in the aftermath of a disaster.

### National ERT Roles & Responsibilities

The National Delta ERT is committed to ensuring readiness before, during, and after emergencies by:

- Raising awareness of emergency preparedness activities
- Providing structured and systematic training focused on Readiness, Response, and Recovery
- Establishing clear steps for early response and efficient recovery
- Offering resource support and guidance to Sorors, chapters, and impacted communities during natural or man-made disasters
- Ensuring effective and timely communication to support preparedness and response efforts

### ♥ Who We Serve

**The National Delta ERT Circle of Care includes: Community partnerships, Local chapters and Individual Sorors. Our collective strength ensures no one stands alone in times of crisis.**

### St. Louis Alumnae (SLA) Chapter Emergency Response Plans (ERP)

Each local chapter is required to develop an Emergency Response Plan (ERP) that:  
Organizes and coordinates emergency actions

- Promotes proper training to reduce injuries and minimize structural damage
- Decreases chaos, confusion, and emotional distress during emergencies
- Preparedness saves time, protects lives, and strengthens our response.

### How the SLA ERT Prepares for Emergencies

The ERT supports preparedness through ongoing education and planning, including:

- Educational workshops and monthly news updates
- Emergency preparedness drills
- On-site safety briefings
- Guidance and tools to help chapters develop and maintain their Emergency Response Plans

**Together, through preparation and partnership, we remain ready to serve, no matter the circumstances.**
