

## Support with Device and Virtual Learning Applications

- [\*\*Virtual Learning Support for Students\*\*](#) | This website helps families understand the district supported tools, devices, and obtain technical support.
- [\*\*Infinite Campus\*\*](#) | This website helps families get access to student grades and pertinent information. *Parents of existing students should utilize the Annual Verification function within the Infinite Campus parent portal to verify/update any information (address, etc.) and upload any updated documentation (e.g., proof of residency).* Contact your school for access to Infinite Campus Parent Portal.
- [\*\*Launchpad Student Portal Access Check-In\*\*](#) | This site provides access to Launchpad ([www.dekalbschoolsga.org/launchpad](http://www.dekalbschoolsga.org/launchpad)) and other applications in the virtual learning environment. See Log in information below.
