*In Support of Academics, Arts and Athletics*

**Donate to the Annual Auction!**

Your generous support provides teachers and coaches with resources that are often not available through Dekalb County School District funding. All Auction proceeds allow the Druid Hills PTO and the Druid Hills Athletic Association to support enhanced learning and participation opportunities in academics, arts, and athletics for the more than 2800 students at both Druid Hills High School and Druid Hills Middle School.

In recognition of your generosity, your business will be prominently promoted to the current student body, their families, DHHS alumni, the schools' social media followers, and more as detailed in the recognition levels below.
