Our weekly gathering is NOT spiritual. We dive deeply into the core of it all— the Heart, immersing ourselves into the remembrance that ignorance is bliss. We join together to dispel the tiny, mad idea, and we will NOT remember NOT to laugh! This week, we explore “Mastering Communication” Follow the link here:

Join us to read and discuss The Way of Mastery: The Early Years. We’ll embody the transcriptions while we explore what Jeshua taught. These works foster growth in understanding and transform healing into peace, all while incorporating wisdom, guidance, and brilliance.

A few short years prior to the delivery of The Way of Mastery, earlier teachings, now known as The Early Years, laid the groundwork for delivery of The Way of Mastery in the 1990s. Jeshua introduced a powerful path of enlightenment that encourages us to embody our divine potential.
