**A huge thank you to all of you who took the time to respond to our survey!**

In order to be responsive to the needs of our families and consider future plans, we sent the annual surveys via email a few weeks ago.

We were thrilled with the response rate and responses from our families. We received feedback from almost half of the families (46) and there was a nice distribution across programs: Toddler Program (TP), Children's House (CH), Lower Elementary (LE), Upper Elementary (UE) and Middle School (MS). Many families shared their appreciation for what Hilltop offers, and some had useful suggestions for how we could improve. Below is a summary of the responses along with additional information to share.
