Canada First is an authorized agent for Ignite Payments/First Data Merchant Services

One of the reasons that TIANB chose Canada First is because Canada-First offers processing targeted to the hospitality industry. More specifically:

- ⇒ Three different mobile terminals that work with almost all Restaurant Management Systems
- ⇒ VAR sheets that work with almost all Hotel Front Desk Applications (no matter what chain or gateway you use), ask us how you can save money and get better service.
- ⇒ Taxi drivers and their companies find our mobile devices save them time and money. Whether it's the convenient size of our Mobile Pay Plus device which works with your smart phone and can easily fit into your pocket, or our VX680 3G robust and dedicated mobile terminal, we have the terminal you need.
- ⇒ Our Business Line online portal allows you to analyze your payment processing with an easy-to-use suite of online tools, gaining greater insight to quickly and effectively manage your electronic transactions. You can even get daily transaction reports sent to your phone.
- ⇒ All our terminals come with a lifetime warranty. We have technicians in Moncton and Fredericton with four hour service for those within 100 kms and overnight service for all others.

Call me to discuss your processing requirements. I'll make sure you get what you need.

PLUS, as an added Bonus, if you act NOW, and I mean if you get your application in by April 30, you can get a brand new state of the art processing terminal for **FREE**. Have a look at the webpage created to provide you with information about this opportunity.

Find out exactly how much you can save – email or fax us a copy of your current processing bills. We'll prepare a comparison to show you how much you will save by switching - right to the penny. No obligation.

Please call, email or fax, with any questions and to take advantage of this great offer.
