Thank you for considering Christ Child Society!

# CHRIST CHILD SOCIETY OF DETROIT

WHERE LOVE LEADS TO ACTION

Christ Child Society is a nationally recognized non-profit organization dedicated to enriching the lives of children throughout metro Detroit. Our volunteer membership works to distribute thousands of layettes to mothers-in-need as a part of the Society's signature Layette Program. A focus on literacy is well established through our work with the students of Walk Whitman Elementary in Pontiac, and the cornerstone project of the Detroit Chapter is Christ Child House, a trauma-informed residential treatment center on Joy Road in Detroit that fosters hope and healing for young boys who are victims of abuse and neglect.
