A decorative graphic on the left side of the slide consisting of numerous small, semi-transparent squares in various colors including blue, purple, pink, red, orange, and yellow, arranged in a cluster that tapers towards the bottom left.

Goal 5

Student Outcomes & College Readiness

Actions & Services

5.1- Credit recovery/ Summer School

5.2- College courses & counseling

5.3- Career exploration

Goal 5: 2022-23 Metrics to Date

Metric	Baseline (2020-21)	Year 1 (2021-22)	Year 2 (2022-23)	Desired Outcome (2023-24)
4-year Cohort Graduation Rate	DV Connect will graduate our first cohort of high school students in 2022, baseline data TBD.	DV Connect will graduate our first cohort of high school students in 2022, baseline data TBD.	Da Vinci students from all campuses have the option to postpone earning their diploma and enroll in Da Vinci Extension (DVX), Da Vinci's 13th-year early college program that is offered through DV Connect. The 2022 CCI indicator included 4th & 5th year graduates. 17 students from all of the DV classes of 2022 (89% of the 2022 total cohort of 19) were enrolled in DVX, which if added to our 2 traditional 4-year DV Connect 2022 graduates & 6 5-year graduates provides a corrected graduation rate of 96%.	23-24 data here: CA Dashboard indicates 89.3% graduation rate, with an increase of 57.3%, accounting for a total of 56 students

Goal 5: 2022-23 Metrics to Date

Metric	Baseline (2020-21)	Year 1 (2021-22)	Year 2 (2022-23)	Desired Outcome (2023-24)
4-year Cohort Dropout Rate	DV Connect will graduate our first cohort of high school students in 2022, baseline data TBD.	DV Connect will graduate our first cohort of high school students in 2022, baseline data TBD.	The 4-year cohort dropout rate for the class of 2022 was 4% (1 student).	The dropout rate will remain less than 2%. We are on track to meet this goal. We will revisit this metric at the end of the year.
College and career readiness	DV Connect will graduate our first cohort of high school students in 2022, baseline data TBD.	DV Connect will graduate our first cohort of high school students in 2022, baseline data TBD.	The state elected not to publish college and career preparedness ratings for the class of 2022 on the 2022 CA School Dashboard. CCI status will be available for next year's LCAP update for the first time since the pandemic.	DV Connect earned a HIGH rating, compared to state's MEDIUM rating, with a percentage of 66.7% students placed in "prepared" indicator

Goal 5: 2022-23 Metrics to Date

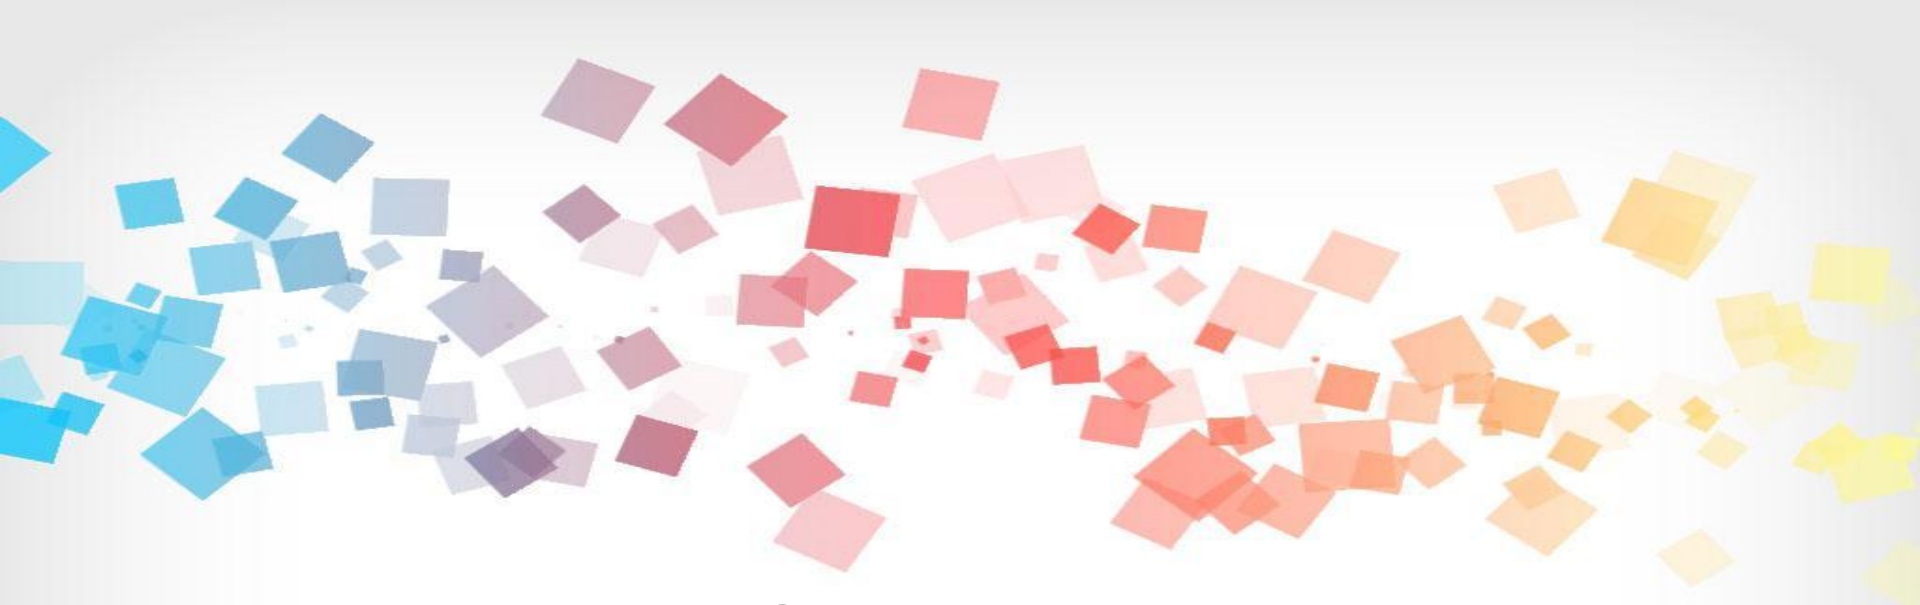

Metric	Baseline (2020-21)	Year 1 (2021-22)	Year 2 (2022-23)	Desired Outcome (2023-24)
College and career readiness: socioeconomically disadvantaged students and English Learners	DV Connect will graduate our first cohort of high school students in 2022, baseline data TBD.	DV Connect will graduate our first cohort of high school students in 2022, baseline data TBD.	The state elected not to publish college and career preparedness ratings for the class of 2022 on the 2022 CA School Dashboard. CCI status will be available for next year's LCAP update for the first time since the pandemic.	DV Connect will maintain Blue or Green ratings for unduplicated subgroups on the College & Career indicator on the CA School Dashboard. We are on track to meet this goal. We will revisit this metric at the end of the year.

Goal 5: 2022-23 Metrics to Date

Metric	Baseline (2020-21)	Year 1 (2021-22)	Year 2 (2022-23)	Desired Outcome (2023-24)
College Credits prior to graduation	DV Connect will graduate our first cohort of high school students in 2022, baseline data TBD.	86% of Connect 9th graders mastered and completed at least one college course in Fall 2021. 66% of 9th graders mastered two courses, and 40% mastered three courses.	The Connect High School Senior class of 2022 had only 3 students. 2 of the 3 in the class of 2022 graduating cohort completed a college course prior to graduation (67%).	100% of DV Connect students will earn college credit for at least one course prior to graduation. We are on track to meet this goal. We will revisit this metric at the end of the year.

Goal 5: 2022-23 Metrics to Date

Metric	Baseline (2020-21)	Year 1 (2021-22)	Year 2 (2022-23)	Desired Outcome (2023-24)
Broad course of study: High School A-G eligibility rate	DV Connect will graduate our first cohort of high school students in 2022, baseline data TBD.	DV Connect will graduate our first cohort of high school students in 2022, baseline data TBD.	The Connect High School Senior class of 2022 had only 3 students. 2 of the 3 in the class of 2022 graduating cohort were A-G eligible (67%), demonstrating access to a broad course of study in all content areas.	DV Connect will maintain A-G course eligibility rates above 90%. All HS Students are enrolled in courses that meet A-G requirements.
Broad course of study: K-8	100% of K-8 students receive instruction in math, language arts, and project based social studies and science.	100% of K-8 students receive instruction in math, language arts, and project based social studies and science.	100% of K-8 students receive instruction in math, language arts, and project based social studies and science.	100% of K-8 students continue to receive instruction in math, language arts, and project based social studies and science.

Thank you for coming!

Next meeting: Monday 4/15 @ 5:00 pm via zoom
