

Starting high school can be spooky ...

How can we do this better?

The Juneau School District, in partnership with Tlingit & Haida, Haa Tóoch Lichéesh, and AASB invite you to share how we can work together to make the transition to high school and beyond easier for students & families. When we work together we honor the strength of our community, our families and our ancestors.

Join us for a Community Dialogue
Monday, October 24th
5:30-7:30 pm
Thunder Mountain High School
Dinner is provided

Parents are welcome to join with or without their students.
