Made in Bermuda City of Hamilton Edition

City Partners for One Night of Summer Event Series

Hamilton – July 11th, 2019

The City of Hamilton is pleased to announce that it will host one of the Made in Bermuda Nights in the 2019 summer series. The popular Thursday evening event on White's Island rolled out in 2018 and showcased a rotating line-up of local musicians and entertainers; an evening where locals and tourists could party with the best of Bermuda's talent.

This summer the City of Hamilton has partnered with PINKSAND Entertainment to bring a special Made In Bermuda Night to the City in Barr's Bay Park on August 8th, starting at 9:00pm. The Park will be adorned in ambient lighting and the popular Wall Street Band, that has amassed an impressive following, will headline the evening. The night will also feature additional local performers. The \$50 ticket price includes an open bar and a selection of specialty food items will also be available for purchase.

Senior Events & Marketing Coordinator for the City, Allison Tucker, said of the event, "The City is really looking forward to welcoming music enthusiasts into one of our most beautiful City parks. Barr's Bay Park, with the serene waters of Hamilton Harbour as a backdrop, will set the scene for what we anticipate will be a pretty magical night under the stars."

Information about the Made In Bermuda Night City of Hamilton Edition will be updated on the City's website as the event nears. Tickets to all Made in Bermuda events are available on <https://qpass.bm/>.
