**Tri Club Viewing Deck hospitality lounge announced for World Triathlon Bermuda**

**Hamilton, Bermuda** – There's a new way to watch the MS Amlin World Triathlon this year, with the launch of a new corporate hospitality venue with prime viewing in the heart of Hamilton.

Located at Pier 6 on Front Street overlooking the harbour, the Tri-Club Viewing Deck will give spectators a great vantage point to witness the excitement of the elite athletes, on every leg of the race. Watch the live action as the world's best tackle the 1500 metre swim and transition to the bike and run, and follow all the action of the rest of the race on a large television screen while socialising with friends.

Organisers have developed the Tri-Club Viewing Deck as a result of feedback from the business community, looking for a prime location to enjoy the race in comfort and style. Corporate groups, families and individuals can buy tickets, which go on sale today at [ptix.bm/triclusviewingdeck](http://ptix.bm/triclusviewingdeck)

Organisers are offering an Early Bird Rate of \$175 per person through to Good Friday, April 19, with the cost increasing to \$200 after that. Groups of six or more will benefit from the lower rate on any day, until tickets sell out. The ticketing site also includes pricing for children's tickets.

A ticket to the Tri-Club Viewing Deck includes:

- A premium outdoor viewing location
- Two complimentary drink tickets with a premium beverage cash bar
- Catered with tasty bites
- Big-screen live TV broadcast of entire elite races on-site

The heart of Hamilton is the place to be on race day, April 27th and Pier 6 will be a great venue to watch all the action in comfort and style with friends, colleagues and in corporate groups. Get your tickets now, at [ptix.bm/triclusviewingdeck](http://ptix.bm/triclusviewingdeck)
