

Understanding the Difference between OhioMeansJobs and JobsOhio

		
Perspective	Career-focused (what do people do)	Industry-focused (what does a company produce)
Mission	To connect job seekers with employers	To attract, retain, and expand businesses in Ohio while creating career opportunities for residents
Services	Resources for career planning, resume building, training programs, and in-demand job searches for residents, students, and businesses	Site selection, tailored financial incentives, grants, and loans for companies locating or expanding in the state
Structure	A public-private, state-wide, online system and network of physical centers	A private, non-profit corporation with seven regional network partners
