

Award Purpose

Just A Diva Encouraging is now accepting nominations for the 3rd Annual JADE Women of Purpose Achievement Award. The award was established in 2018 to recognize and celebrate the accomplishments of women who go above and beyond. This award honors up to two outstanding women who have achieved professional and community excellence within their area of specialty and have actively made a difference and have paved the way for other women. These women demonstrate excellence in a variety of professional settings and personify excellence on either the national, regional, or local level.

Due to COVID19 and the changes we are facing this year with keeping everyone safe, the 2020 WOP Award will be presented at the JADE 2020 Women Encouraging Women Virtual Conference, October 10, 2020. The awardees award and certificate will be mailed.
