Industry Partners and Friends,

It is with great pride and excitement that we are announcing the merger of two longstanding Midwestern MAFSI rep firms. On July 1, 2020, Koehler Borden will be merging with Gabriel Group. As talks began, the tremendous synergies between our two groups became clear. With common geography, like minded staff and minimal manufacturer conflict combining forces seemed to make complete sense. As discussions evolved it became apparent that the harmony reached even deeper. The hard work, professionalism and ethics shared by both groups made for an excellent team.

Moving forward our goal is to continue adding value for our distributors, manufacturers, and end users alike. We look to continually champion product innovations and solutions that tackle the latest food service challenges. As always, communication, education and follow up will be the bedrock of our new group. Through our evolution you will see even greater strength in the word TEAM.

Thank you for your past support. We look forward to continued partnership and friendship moving forward. If you should have any questions or comments, we are always here and happy to listen.

Sincerely,

Scott, Tim and Paul
