

Westchester County Medical Society & Westchester Academy of Medicine 2026 Annual Meeting Call for Sponsors & Advertisers

WCMS/WAM Annual Meeting honoring outgoing President **Anais Carniciu, MD** and President-elect **Daniel Gold, MD**, “Friend of the Society” awardee **Sudeep Chaudhuri**, and **Robert Amler, MD, MBA, Vice President for Governmental Affairs, New York Medical College** as the “Career Achievement” awardee will take place on Tuesday, June 23, 2026 from 6:00pm-9:00pm at the Westchester Country Club in Rye, New York.

We are calling on our local business partners, hospitals and practices for sponsorship of this annual event. Each year we are joined by roughly 150 physicians, community members and business partners to celebrate the election of our officers, to honor our awardees and to recognize our Westchester Science and Engineering Fair winners. This event also gives attendees to hear the WCMS plan for the year ahead. We would love for you to join us!

Sponsorship Opportunities:

During our cocktail hour we would like to offer you an opportunity to display a table with your company products and information. As our physicians are arriving and getting acquainted you can discuss your products and hand out any literature or information. Once the guests are called into the dining room, you can participate along with the physician attendees through your sponsorship by attending the dinner as well. Remember to bring your business cards!

We are presenting this opportunity to you and ask that since you have been selected to participate, please take the time to consider such an offer. We have limited number of tables and it will be first come first served. We suggest that you complete the form and forward back to the society as soon as possible.
