

Welcome to Dance Tree!

As we embark on our 51st year, we are excited to be **"Making Waves!"** This season, we are inspired by the words from Luke 1:50, *"His mercy flows in wave after wave on those who are in awe before him."*

I am both thankful and honored that you are part of the Dance Tree family! As we continue our dance journey together, please know that you are valued and appreciated. Our goal is to provide a positive, loving, and nurturing environment where every student can thrive, grow, and express themselves through the art of dance.

Whether you're new to the program or have been with us for years, thank you for choosing Dance Tree as your dance home! We are looking forward to a fantastic season ahead filled with joy, learning, laughter and dance!

Kindly,
Mary Lee Kennedy
