Texas Team Foundation (TTF) a 501(c)(3) organization was started in 2016 to assist Navy SEAL and First Responders' Families in times of tragedy. This run is an annual fundraiser in conjunction with NDCQ (Not Dead Can't Quit) which was founded by local Pearland Navy SEAL, the late Richard "Mack" Machowicz. His family and friends continue on his legacy with this fundraiser and through their work with the Texas Team Foundation. Please join us to raise funds for local heroes and their families who have sacrificed much for the safety and love of our nation and the great State of Texas.
