

Dear DCPC Volunteers,

Thank you for the incredible heart and hard work you poured into building 540 Broadway Court with us! We wanted to share an update that, while the house has not yet been selected by a current Habitat homebuyer, it is now being shown to other families in the community who are also seeking affordable homeownership in the Statesville area. As always, Habitat will ensure that the future homebuyer meets our income-qualification guidelines, including earning 80% or less of the area median income.

Construction will be complete on the house by mid-March and we would welcome the opportunity for you to see the results of your hard work! We remain deeply grateful for your dedication and partnership in creating opportunities for families to build stability and hope.
