- **Blythe Elementary**

The Blythe Elementary staff is working hard to ensure that all of its students perform on grade level, but they are not there yet. You can help in one of two ways:

1. North Star Reading. This involves one hour, one day a week with one child. Training takes place on October 5 at 9 am at Blythe. Tutoring will begin in October. If you are interested in North Star, email Catherine Bragg at [catherinebragg68@gmail.com](mailto:catherinebragg68@gmail.com).
2. Classroom Volunteer. Classroom teachers need help with one on one and small group instruction in all subject areas and with clerical work. The time commitment is up to you, and can be worked out with the teacher. You can select the grade level that most suits you. If you are interested in being a classroom volunteer, email Rosemary Klein at [klein924@earthlink.net](mailto:klein924@earthlink.net) and we will match you with a teacher.
