

MSK Volunteers Eliminate Hunger

I hope each of you is having a peaceful summer filled with quality time with love ones. As we look forward to the second half of 2018, we have some opportunities for volunteers. When your summer travel is complete and the kids and grandkids are back in school, a few hours of your time each week will have a huge impact. I have highlighted a few of our most immediate needs below. If we can rely on you to fill one of these volunteer roles please email Judith Thomas at jthomas@moorevillesoupkitchen.com. We would also appreciate your help with getting these opportunities out to your churches, neighbors, friends, and other like-minded community members who may want to get involved!

Food Rescue Drivers:

Looking for volunteers to drive their own vehicle or an MSK van to a local grocery store one morning per week to pick up donated food. This does require lifting banana boxes full of food. This vital role takes about 1.5 hours one time per week in the morning. We can match you with a morning that works with your schedule and a store that is close to your home. These volunteers bring the food to MSK that is used to prepare hot meals and distribute to families during the pantry!

Food Movers:

Our Food Movers program is up and running and growing daily. We need volunteer food movers to deliver food to a shut in one time per week. Volunteers should have their own car, be able to come to MSK and pick up the food and then take it to the shut in. Time commitment is about 1 hour per week. This opportunity occurs every Thursday from 10am-11am. You would deliver to the same person each week and it is a very meaningful relationship for both parties. This program was created to assist people with decreasing hospital visits, maintaining healthy weight, and improving mental health.

Appreciation Clerk:

One super star volunteer is needed each day to man our side door and help facilitate and document all food rescue deliveries and private donations. This is a great spot to greet our volunteers and donors and help to show our appreciation for the blessings that we receive. This involves no lifting and basic written documentation. We are looking for coverage of this position Monday through Friday from 8am-2pm. You can sign up for one day, multiple days, or partial days!

Fantastic Food Sorters:

Volunteers are needed to process, sort, and distribute produce, deli, breads, and pastries to our guests daily. We currently have needs on Monday, Wednesday, and Friday from 9am-1pm. One day per week is a great way to get involved. We serve approximately 100 families each day.

Cook Team Members:

We are locating for a few good men and women to fill some spots on our cook teams. There is a different cook team each week day of the month. This is a once a month commitment from approximately 8am-12pm to prepare the daily hot meal. We feed approximately 100 people each day.
