

Fairhaven Winterfest 2017

The Historic Fairhaven Association will be collaborating with community partners, merchants, and neighbors to create a WinterFest in Fairhaven during November and December with visits from Father Christmas, Carriage Rides, Lighting of the Christmas Tree, a treasure hunt searching for Elves, performances from the Circus Guild & street performers or musicians entertaining us on the street corners.

The festival will kick off on Friday, 24th and Saturday, 25th November 2017.

The Historic Fairhaven Association would like to invite your Not-For-Profit Organization to be part of the festivities on Saturday, 25th November (12pm - 5pm) at the Christmas Market on the Fairhaven Village Green. Your organization can host a 10x10 booth in the heart of the festivities where you can fundraise by offering a service, sales of gifts/crafts or anything your organization can imagine while bringing awareness to your agency.

You play an important part in the life and vitality of our community. Though the village acts as the commercial center of our neighborhood, the Historic Fairhaven Association is dedicated to supporting and bringing awareness to the greater community.

We hope you can join us.

Responsibilities for the NFP would include:

1. Complete application form by August 31st 2017 & submit to Nadine at lightupfairhaven@gmail.com
