Do you know a middle school student who would make a great edition to our Upper School family?

If so, please share the shadow day information with them and invite them to check us out!

Volleyball & Tennis

Coed volleyball and tennis begin the first week of September.

Tennis practice will be on Thursday afternoons at City Park. Volleyball will be in the main campus gym on Wednesday evenings.

College Counseling

In Compass this month, our ninth, tenth, and eleventh graders will make PSAT study plans to prepare for this assessment. Their individualized plans will be shared with parents via email so you can support your child's work as well.

The PSAT is October 14

Juniors can use PSAT to qualify in the National Merit Scholarship competition. For our underclassmen, this test will help inform their preparation for the ACT and SAT tests which are in the spring.
