

30th Anniversary T-Shirt Design Contest

In celebration of SA's 30th year, students of all grades are invited to design a 30th anniversary t-shirt that will be distributed at no cost to all SA students and staff!

Students who would like to submit designs may submit them via email (PNG format preferred) to [Lizzy Roy](mailto:lroy@salisburyacademy.org) at lroy@salisburyacademy.org or via hard copy to the SA front office. Designs are due by Monday, January 30. The deadline is firm. Please see design specifications below:

Hard copy/paper submissions:

- Designs can fill a space that is up to 8x8 inches. The design will go on the front of the t-shirt.
- Please submit your design on a white sheet of paper and paperclip a label with student name.
- Draw your design in a single color using black marker or heavy black crayon, keeping in mind that the line work needs to be clear.

Digital submissions:

- Dimension size limit for the design is 8x8 inches. The design will go on the front of the t-shirt.
- Please remember to use solid lines and not to include any very thin lines or very small font. This will get lost in the screen printing process.
- Complete your design on a white background using black for your design color.
- Please submit your design in PNG format to lroy@salisburyacademy.org. If you cannot export into PNG, you can also submit in JPEG.

Tip: This t-shirt will celebrate Salisbury Academy and the unique learning community that it is! Designs can also pay tribute to the exciting 30-year milestone that we are celebrating this school year.
