ART CLASSES IN OUR COMMUNITY

St. Lukes Music & Arts Camp 2025

We are so excited to announce that our program for the St. Luke's Music & Arts Camp 2025 will be a fully staged production of the ever-popular musical, *Godspell, Jr.*! Registration is OPEN.

This 60-minute production, designed specifically for student performers, will be an amazing opportunity for students to learn some really great music (there's folk, R&B, rock, and more!) while getting a fresh and heartfelt look at the Gospel of Matthew, told through interactive parables.

This fun musical offers a chance for students who want to take the spotlight to have some solos, but the script welcomes those who are more comfortable participating in a group. So, experienced performers welcome AND those just wanting a fun arts-themed summer camp experience, also very welcome. Local high school student and veteran performer, Luke Bardin, is joining us this year as Student Artist and will be playing the role of Jesus. Welcome, Luke!

Note that this year camp will run 9 a.m.-2 p.m. daily, with lunch provided each day. The week will conclude with a performance of *Godspell, Jr.* for family and friends.

You can find more information at <http://www.SLS.church/musicandartscamp> or you can go straight to [THIS LINK](#) to register now. We recommend registering early, as space will be limited.

Please reach out to Caroline Stephenson, Parish and Family Ministry Coordinator, with any questions. caroline.g.stephenson@gmail.com
