May 30 - Graduation Practice 4 p.m.

May 31 - Graduation 2 p.m. F&M Trolley Barn

## THE ULTIMATE EXHIBITION

Our students are beginning a project with the Rowan Museum to create an exhibit titled "Making Up Rowan."

Students will connect their American history, English, and art contents in this project. They will research in the Rowan Public Library's history room, write in a way that captures an audience's attention, and display the objects, artifacts, and text panels to make a visually appealing exhibit.

As a kick-off, students visited the space they will be transforming at the Rowan Museum and began researching with the Rowan Museum Executive Director Aaron Kepley. Rowan Museum's curator Mimi Apple also joined students on a visit to the International Civil Rights Museum to learn from Civil Right's museum's exemplary curation techniques.

## COUNSELING CORNER

Our students worked diligently on the ACT in March, and their scores show it! Students can access their scores through the email they received to their school email. We will also be providing paper printouts.

Both digital and paper versions show the areas of strength and growth. Students should use this feedback to prepare for the SAT which is this month.
