

UPPER SCHOOL

FEBRUARY 2026

Class Registration for 26-27

Working in their compass classes, students are applying their wayfinding skills as they explore the many options the Upper School provides for classes in the 26-27 school year.

In February, your students will be bringing home a “graduation tracker” that shows the class credits required for high school graduation as well as some of the options your student is considering for each of these credits.

Copies of their planning documents will be emailed home throughout this process. Parents are encouraged to reach out with any questions or ideas. We will all sit down and review plans together at the Student-Led Conferences on March 26 in order to register students for any college classes they select in early April.

Here are the resources students are exploring:

- **Upper School 26-27 Course Catalog** - tinyurl.com/sa2627catalog
- **Courses offered at Catawba Fall 2026 & Spring 2027** - www.catawba.edu/classes
- **RCCC Guidebooks for Trade and Technical Classes** - www.rccc.edu/highschool/

Friday Lunch Locations

Feb. 6 - Hap's

Feb. 20 - Wong's Feb. 27 - Salty Caper

Meet our new College Counselor!

Caroline van der Poel is excited to be working with Salisbury Academy students and families as the new College Counselor.

Throughout the high school years, she will work alongside families to help guide the college and post-graduation planning process. Mrs. van de Poel's goal is to help students feel confident, informed, and encouraged as they consider their future options.

Important Dates

Feb. 13 & 16

SA classes will meet to make up for the snow days
Catawba do meet also

US Shadow Day

Feb. 27

Please invite the outstanding
7 - 11th graders you know!

ACT & Student-Led Conferences March 26

9th grade SLCs 8 - 10 a.m.
