

Middle School Matters

Aug 14, 2022

Welcome Back, Jaguars!

Week at a Glance

We've been busy getting back into the groove in Middle School. Highlights for the first week include:

- **Advisories!** This year's Middle School advisors are Mrs. Coulter, Mrs. Doby, Mrs. Hattaway, Mrs. Starrett, Mrs. Goodman, and Ms. Dixon. Advisory groups meet each Wednesday before lunch for students in grades 6 - 8. Fifth-grade students will focus on middle school transitions for now and join advisory groups in the spring.
- **Get Organized** Students will organize binders and digital classrooms upon returning to school. We encourage you to periodically check in with your student to see their binders and what they are working on.
- **First Day Facts** Teachers and students will spend time in small groups reviewing and discussing the following topics to start the year off on the right foot:
 - Community Standards
 - Uniform Policy
 - PE Classes
 - Technology Policies
 - Student Schedules
