Summer Work

All middle school students will receive their summer assignments for math and language arts classes this week. Please email jgoodman@salisburyacademy.org with any questions.

Mark Your Calendar!

Each middle school student will conduct a student-led conference with their parent(s) at our annual Reflections program. This year's program is on Wednesday, 5/30 at 9am. We hope you can attend!

Students will clean out their lockers this week. Please send sturdy bags with handles to school with your child for collection of their items.
