

# UPPER SCHOOL

AUGUST 2024

## TOP NEWS

- All parents should have received a welcome email to access our **Teacherease gradebook**. Email Mrs. Williams if you did not get an email or have difficulty logging in.
- Dual-enrolled students should be purchasing their Catawba class materials ASAP! Check out the Catawba bookstore for details for each class: [catawba.edu/bookstore/](http://catawba.edu/bookstore/)
- Seniors are reminded to **submit updated immunization records** showing the second dose of Meningococcal vaccine.

## LEARNING ABOUT DOWNTOWN

The first day of school, students had the opportunity to familiarize themselves with our downtown neighborhood through a scavenger hunt.

Students applied our Portrait of a Graduate to places in the area where they could exercise compassionate citizenship, recharge their batteries as a resilient individual, apply creative problem solving, and use confident communication. They even found vestiges of the Revolutionary War and artwork, and they demonstrated safe pedestrian practices!

		First Junior Civitan Meeting			Check Teacherease for standards scores ☺	

## COLLEGE COUNSELING CORNER

Mrs. Doby sent out a college counseling newsletter to all Upper School families. If you did not receive this email, please let her know: [adoby@salisburyacademy.org](mailto:adoby@salisburyacademy.org).

Students are working in all Compass classes to build their digital portfolios. You can see your student's portfolio as pages are published at:  
<https://sites.google.com/salisburyacademy.org/firstname.lastname>.

Colleges will be sending admission representatives to visit our school during lunch time. Parents are invited to drop in during the 12:30 - 1:30 p.m. time to meet the representatives as well. Stay tuned to the college counseling newsletter for the dates of each college's visit.
