Mark Your Calendars

The dates for this spring's trips have been changed to April 30 through May 2. We look forward to more exciting adventures with our Middle School students!

What is Executive Functioning?

Executive functioning is the ability for someone to use their resources and processes to achieve a goal. For students, this includes the organization of work, scheduling tasks, and timely completion of assignments.

During the next Lunch and Learn (January 24), Dr. Mannering will present on the strengthening of executive functioning skills in students. If you would like to order lunch, please email tpeoples@salisburyacademy.org.
