

## About the EFP

- The EFP was founded in 1972 in response to the devastating effects of Tropical Storm Agnes and has been operating continuously for more than a half-century!
- The EFP is open 9:30-12:30 Monday through Friday, and the third Saturday of the month.
- The EFP is the largest direct-to-client food assistance agency in Dauphin County, providing emergency food assistance to more than 2,300 people living in the greater Harrisburg area each month.
- The EFP is committed to demonstrating compassion and respect for all members of its diverse client base.
- The EFP provides clients with meat, eggs, butter, bread, milk, fresh produce, a variety of nonperishable foods, and personal care items when available.
- The EFP depends on volunteers to fill more than 125 volunteer opportunities each month in order to continue serving as a reliable resource for our clients.
- Visit [www.efoodpantry.org](http://www.efoodpantry.org) for more information about the EFP!

## The EFP needs YOU!

The EFP relies on the generosity of donors and volunteers to continue its 50-year fight against food insecurity

**Donate funds.** The EFP's largest expense is the food it provides directly to clients. This is particularly the case as the EFP strives to increase healthy food options. Donations to support the EFP's mission can be made by mail or on the EFP's website.

**Donate items.** Studies have found a direct link between personal hygiene and physical and mental well-being. The EFP needs personal care items (e.g., soap, toothpaste, shampoo, deodorant, toilet paper, feminine hygiene products, and infant/toddler diapers) for its clients, as well as nonperishable foods.

**Donations made at the tournament will be eligible for special prizes!**

**Donate your time.** The EFP needs volunteers not only to serve clients during pantry hours, but also to collect donations, stock food and perform other work necessary to continue serving as a resource to those in need. Visit the "How You Can Help" page on our website to complete a volunteer form!
