Greetings.

As the Democrat National Convention convenes in Milwaukee, we will be gathering at Alice's Garden Urban Farm for a gun-beating event called: "Revival in the Garden." On Saturday, August 15th at 4pm, we will be transforming weapons into garden tools. By doing so, we seek to transform a world full of violence and death into a world where love is triumphant and the tools of destruction are turning into tools of life.

Tricklebee Cafe is partnering with Peace Garden Project MKE and RAWtools to request firearms to be donated to be made into garden tools for this event. If you have an unwanted firearm and would like to support this event, please email [mike@rawtools.org](mailto:mike@rawtools.org) to arrange a time the day of the event on 8/15/2020 to donate your firearm\* and have it disabled. RAWtools is a registered 501c3 nonprofit that can provide an in-kind donation receipt if requested by the donor.

NOTE: Donors **must** remain present while their firearm is disabled. By doing this, no transfer of ownership has occurred.

\*If a law enforcement agency needs to do a background check on the one disarming the firearms (Mike Martin), he is happy to provide any information needed. If a law enforcement agency agrees to donate confiscated weapons, we can arrange a time to disable the weapons, preferably the morning of the event at a place of their choice. RAWtools disables firearms according to federal ATF guidelines with law enforcement present. The process is about 5 minutes or less for each gun to be disabled. Any questions can be directed to Mike Martin, RAWtools Executive Director: [mike@rawtools.org](mailto:mike@rawtools.org) or by cell phone 719-203-8069.

Sincerely,

*Christie Melby-Gibbons*
