

# CREATIVE WORSHIP PACKAGE FOR THE EASTER SEASON

Inspired by the creative worship leadership of Marcia McFee last fall, Rev. Beth Patton, Rev. Nicole Farley, and Ruling Elder and Presbytery Executive Rachel Yates have designed a creative worship package for the Easter season (April 19 through May 24), ***specifically for churches in transition.***

The \$100 package includes:

- a set of items for communion table visual storytelling
- six weekly bulletins (editable)
- a full liturgy script, except sermon (provided by your choice of pulpit supply)
- instructions for the creative worship components each week
- a list of suggested materials for enhancing the communion table visual storytelling
- two hours of guided help to set up the communion table visual storytelling components

If you act quickly, you will also have the opportunity to engage package designers Rev. Beth Patton and Rachel Yates for your pulpit supply.
