# Interfaith Conference of Greater Milwaukee

## **AMAZING FAITHS DINNER DIALOGUES**

Join the dialogue. Change your life. Transform the world.

*People of all faiths and no faith, all spiritualities and philosophies gather in small groups to share a meal and participate in a moderated discussion using a proven model, evoking deep exchanges about lived experiences and the role of faith or spirituality in their lives. Through exploration and dialogue, participants learn about the beliefs and traditions of others within an atmosphere of respect and understanding, and are empowered to stand as witnesses for tolerance.*

Since 2011, The Interfaith Conference of Greater Milwaukee has piloted Amazing Faiths Dinner Dialogues with great success. From summer 2013 through spring 2014, a generous grant from the [First Unitarian Society of Milwaukee](#) enabled the Interfaith Conference to expand the program. **Be trained as a Volunteer Dinner Dialogue Moderator  
(Check back for upcoming trainings)**

*Moderators are trained to facilitate the proven Dinner Dialogue model developed at Rice University, which involves appreciative listening and cards with thought-provoking questions about the broad themes present in nearly all faith traditions and world views. Moderators ensure that people feel safe in the intimate Dinner Dialogue setting so that they feel comfortable sharing life experience with others. Trainees need not have attended a dinner in order to attend training, but will need to attend a dinner prior to moderating.*
